ARTICLE II

RECOGNITION

A. The Haddonfield Board of Education hereby recognizes the Haddonfield Education Association as the exclusive and sole representative, in accordance with Chapter 123 of Public Laws 1974, for all certified personnel in a unit which includes teachers, librarians, guidance counselors, nurses, and members of the Child Study Team; but excludes superintendent, assistant superintendent, principals, assistant principals, administrative assistants, coordinators, and supervisors.

B. Unless otherwise indicated, the term "teachers" when used hereinafter in this Agreement, shall refer to all employees in the unit as above defined, and references to male teachers shall include female teachers.

ARTICLE III

RIGHTS AND RESPONSIBILITIES OF THE BOARD

A. Except as otherwise expressly limited by the provisions of this Agreement, the Board shall retain sole jurisdiction and authority over matters of policy and shall retain the right, in accordance with applicable laws and regulations to:

1. Direct employees of the school district.
2. Hire, promote, transfer, assign, and retain employees in positions within the school district, and to suspend, demote, discharge, or take over disciplinary action against employees.
3. Relieve employees from duties because of incompetency or for other legitimate reasons.
4. Maintain the efficiency of the school district operations entrusted to them.
5. Determine the methods, means and personnel by which such operations are conducted.

6. Take whatever other actions may be necessary to carry out the mission of the school district.

7. The Board will exercise all of its rights regarding non-renewal of non-tenured teachers to the fullest extent permitted by law, any provision in this Agreement to the contrary notwithstanding.

B. This Agreement constitutes Board policy for the term of said Agreement, and the Board shall carry out the commitments contained herein and give them full force and effect as Board policy.

ARTICLE IV

NON-DISCRIMINATION

A. The Board and the Association will not discriminate against any person because of race, creed, national origin, sex, religious persuasion, membership or non-membership in the Association.

ARTICLE V

TEACHER RIGHTS

A. Whenever any teaching staff member is required to appear before the Board or any committee or member thereof concerning any matter which could adversely affect the continuation of that teaching staff member in his office, position or employment or the salary or any increments pertaining thereto, then he shall be given prior written notice of the reasons for such meeting or interview and shall be entitled to have a person of his own choosing present to advise and represent him during such meeting or interview.

B. In the event that the aforesaid meeting or interview results in the certification of any charges against a tenured teacher to the Commissioner of Education, the Board may suspend the person against whom such charge is made, with or without pay. However, if the determination of the charge by the Commissioner of Education is not made within one hundred and twenty (120) calendar days after certification of the charges, excluding all delays which are granted at the request of such person, then the full salary (except for said 120 days) of such person shall be paid beginning on the one hundred twenty-first day until such determination is made. Should the charge be dismissed, the person shall be reinstated immediately with full pay from the first day of such suspension. Should the charge be dismissed and the suspension be continued during an appeal therefrom, then the full pay or salary of such person shall continue until the determination of the appeal. However, the Board of Education shall deduct from said full pay or salary any sums received by such employee or officers by way of pay or salary from any substituted employment assumed during such period of suspension. Should the charge be sustained on the original hearing or an appeal therefrom, and should such person appeal from the same, then the suspension may be continued unless and until such determination is reversed, in which event he shall be reinstated immediately with full pay as of the time of suspension.

B. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by said parties.

ARTICLE VIII

NO SANCTIONS

A. In consideration of this Agreement, the Board and the Association shall refrain from actions normally associated with the terms "strike" or "sanctions".

ARTICLE IX

COMPLAINTS AND GRIEVANCE PROCEDURE

A. Complaints: A teacher with a complaint shall first discuss it with his immediate superior, with the objective of resolving the matter informally. If the complaint is not settled within five (5) school days and involves a matter subject to the Grievance Procedure, it may be reduced to writing and considered a grievance subject to the grievance provisions of this Agreement.

B. Definition of Grievance: A grievance is a dispute or difference between the Board and the Association, or the teachers represented by it, with respect to the interpretation, application, or violation of policies, this Agreement, and administrative decisions affecting the teachers.

C. Time Limits:

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level

should be considered a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

2. All grievances shall be presented as soon as possible after the occurrence upon which based, but in no event later than fifteen (15) school days. All such grievances not so presented shall not be entitled to consideration by the party to whom presented.

3. All grievances shall be presented at Level One, shall be in writing on grievance forms provided for the purpose, and shall set forth the provisions of this Agreement, board policy, or administrative decisions upon which the grievance is based.

4. Grievance decisions and any appeals to a higher level of grievance procedure shall be in writing and made on the aforementioned grievance forms.

5. In the event a grievance is filed at such time that it cannot be processed through all the steps of this grievance procedure by the end of the school year, and, if left unresolved, could in the opinion of the Association or the Board, result in irreparable harm, the time limits set forth therein shall, at the request of either party, be reduced as much as practicable, so that the grievance procedure may be exhausted by the end of the school year; however, the party upon whom the request is made shall have the right to reply within the time limits in this Agreement.

D. Procedure:

1. Level One:

- a. Within five (5) school days after a grievance is submitted by the Association it shall be discussed in a meeting between the Association's Professional Rights and Responsibilities Representative for that building and the principal.
- b. If the grievance is not settled within fifteen (15) school days after it is discussed in the meeting with the building principal, the Association may appeal it to Level Two within five (5) school days after the decision at Level One or twenty (20) school days after the grievance was submitted for discussion, whichever is sooner.

2. Level Two:

- a. A grievance submitted to Level Two shall be discussed within five (5) school days of receipt of the grievance form, by the chairman of the Association's Professional Rights and Responsibilities Committee and the Superintendent of Schools or his designee.

- b. If the grievance is not settled within ten (10) school days after it is discussed with the Superintendent or his designee, the Association may appeal it to Level Three within ten (10) school days after the decision at Level Two or twenty (20) school days after the grievance was presented in discussion at this step, whichever is sooner.

3. Level Three:

- a. A grievance submitted to Level Three shall be discussed within ten (10) school days of receipt of the grievance form by a committee appointed by the president of the Association and a committee appointed by the president of the Board. The respective committee shall include the chairman of the Association's Professional Rights and Responsibilities Committee and the Superintendent of Schools.
- b. A decision shall be made by the Board within ten (10) school days after the grievance was discussed at this step.

4. Level Four:

- a. If the grievance is not resolved at Level Three then a grievance with respect to the interpretation or application of provisions of this Agreement may, within fifteen (15) school days following a decision at Level Three, be submitted to binding arbitration under the voluntary arbitration rules of the American Arbitration Association. If, in the opinion of either party, the grievance submitted is not arbitrable under the terms of this Agreement, then the arbitrator shall first rule if the grievance is arbitrable, and if it is not, shall dismiss it. The arbitrator shall not have the jurisdiction or authority to add to, detract from or alter in any way the provisions of the Agreement. In the event of arbitration, the costs of the arbitrator's services shall be shared by each of the parties and each of the parties shall bear his own costs.

5. The following matters shall not be arbitrable:

- a. The failure or refusal of the Board to renew a contract of a non-tenured teacher.
- b. Matters where a method of review is prescribed by law or by any rules, regulations of the State Commissioner of Education or the State Board of Education.
- c. Matters where the Board is without authority to act.

ARTICLE X

TEACHER ASSIGNMENTS

A. Except in unusual circumstances requiring later assignment, notice of assignment to teachers, whose employment has continued from the prior year, normally shall be given by the third week in August. Such notice shall include class and/or subject, building and room. Such notice shall not preclude a change in assignment of a teacher.

B. Non-Tenure Teacher Offer of Assignment:

1. On or before April 30 in each year, every Board of Education in this State shall give to each non-tenure teaching staff member continuously employed by it since the preceding September 30 either

- a. A written offer of a contract for employment for the next succeeding year providing for at least the same terms and conditions of employment but with such increases in salary as may be required by law or policies of the Board of Education, or
- b. A written notice that such employment will not be offered.

2. Should any Board of Education fail to give to any non-tenure teaching staff member either an offer of contract for employment for the next succeeding year or a notice that such employment will not be offered, all within the time and in the manner provided by this act, then said Board of Education shall be deemed to have offered to that teaching staff member continued employment for the next succeeding school year upon the same terms and conditions but with such increases in salary as may be required by law or policies of the Board of Education.

3. If the teaching staff member desires to accept such employment he shall notify the Board of Education of such acceptance, in writing, on or before June 1, in which event such employment shall continue as provided for herein. In the absence of such notice of acceptance the provisions of this article shall no longer be applicable.

ARTICLE XI

Within the thirty (30) day period prior to October 1, and again within the thirty (30) day period prior to March 1, a teacher may file with the Superintendent of Schools up to two requests for promotion, transfer or reassignment. These requests shall be in accordance with rules established by the Superintendent.

B. A teacher may file with the Superintendent of Schools a request for transfer, reassignment or promotion for openings which may occur during the summer recess. This shall be done by May 1. Nothing herein shall limit the Superintendent in his recommendations to the Board of Education.

C. The Superintendent shall review requests which are on file prior to recommending promotions, transfers or assignments to the Board of Education, but nothing herein shall limit the Superintendent in his recommendations to the Board. This evaluation shall be a summary of previous evaluations and shall evaluate the teacher's performance in relation to his teaching duties both in and outside of the classroom.
